Details about Schedule and Requirements for Participation in AFM Fencing Instruction

1. The above schedule of fencing classes is for the 2023-2024 season, which is August 1, 2023 – July 31, 2024
2. All programs except “Introduction to Fencing” are monthly programs with a set schedule.
3. Introduction to Fencing runs as two private lessons of 20 minutes (can be scheduled as two separate lessons or one double lesson, i.e. 40 min) followed by a group class in our Campbell location, typically on Saturdays at 12pm-1pm. A group class is scheduled after completion of the private lessons. We will contact you once you complete the Introduction to Fencing registration.
4. There are special classes (Footwork classes, conditioning classes, etc.) that require Prime Membership to participate. Only currently active members of AFM Classes in school-age can become Prime members. Prime membership is optional, but required for participation in these special classes.
5. All fencers participating in any AFM fencing classes, private fencing lessons, and any other fencing-related activities must be current members of the United States Fencing (aka USFA) at least at non-competitive level. To obtain the USFA membership go to <http://usafencing.org>, click on “Join USA Fencing” link, and follow the instructions.
6. To participate in the Introduction to Fencing Class, register online at <https://academyoffencingmasters.com/beginners/>. Alternatively, you can call our offices, and we would be happy to assist you.
7. If you fenced before and would like to continue fencing at AFM, please contact our club for an appointment to assess your current level for the appropriate class placement.
8. While we try to maintain our schedule for the entire 2023-2024 fencing season, our schedule is subject to change by AFM at any time, especially given the uncertain nature of the current pandemic
